

EASTPORT CHARTER REVIEW COMMITTEE
MINUTES OF MAY 19, 2022, MEETING

Committee members present: Edward French, Ross Argir, Anne Stanley.

The committee reviewed the language for new sections 2.10 (d) and 2.05 (e) on how residents can file a grievance or complaint and how they can have items placed on city council agenda.

By consensus, the committee agreed to forward all of its recommendations to the city council. It was agreed that holding a workshop with the council before the council's hearing on the charter changes would be best.
