1. Oral reprimand.
2. Written reprimand. (A written reprimand is less formal than a formal sanction. It may be issued by consensus during Executive Session and subject to privacy)
3. Formal sanction, with penalties to be determined by City Council.
(A formal sanction is public, and the official may have an attorney involved in the proceedings.)

4. Removal from office.

(e) Residents of the City of Eastport shall be permitted to file a written complaint against a City Councilor for actions taken in their capacity as such. Such complaint shall be submitted to the City Clerk and shall be addressed by the City Council within 60 days of submission. A summary of how the complaint was addressed shall be made available to the public within 14 days of when it was addressed, unless prohibited by applicable law. A resident is not entitled to file a second complaint against a City Councilor for the same instance of behavior that said resident has previously submitted a complaint.

- (5) accrues a total of three formal sanctions and/or written reprimands during his/her term in office.

(c) Fillings of Vacancies. A vacancy in the council shall be filled for the remainder of the unexpired term, if any, at the next regular election following not less than 60 days upon the occurrence of the vacancy, but the council by a majority vote of all its remaining members shall appoint a qualified person to fill the vacancy until the person elected to serve the remainder of the unexpired term takes office. If the council fails to do so within 30 days following the occurrence of the vacancy, a special election must be held to fill the vacancy, to be held not sooner than 90 days and not later than 120 days following the occurrence of the vacancy and to be otherwise governed by the provisions of Article VII. If the number of members is reduced to fewer than a quorum, the remaining councilors by majority action may appoint additional members for the purpose of filling vacancies.

Section 2.07 JUDGE OF QUALIFICATIONS

The council shall be the judge of the election and qualifications of its members and of the grounds for forfeiture of their office and for that purpose shall have power to subpoena witnesses, administer oaths, and require the production of evidence. A member charged with conduct constituting grounds for forfeiture of his/her office shall be entitled to a public hearing on demand, and notice of such hearing shall be published in one or more newspapers of general circulation in the city at least one week in advance of the hearing. Whenever any council member is so charged, he/she shall not be entitled to vote on questions concerning his/her removal. Decisions made by the council under this section shall be subject to review by the courts.

Section 2.08 INVESTIGATIONS

The council may make investigations into the affairs of the city and the conduct of any city department, office or agency and for this purpose may subpoena witnesses, administer oaths, take testimony and require the production of evidence. Any person who fails or refuses to obey a lawful order issued in the exercise of these powers by the council shall be guilty of a civil violation punishable by a fine of not more than \$100.00.

Section 2.09 INDEPENDENT AUDIT

The council shall provide for an independent annual audit of all city accounts and may provide for such more frequent audits as it deems necessary. Such audits shall be made by a certified public accountant or firm of such accountants who have no personal interest, direct or indirect, in the fiscal affairs of the city government or any of its officers. The council may, without requiring competitive bids, designate such accountants or firm annually or for a period not exceeding three years. If the State makes such an audit, the council may accept it as satisfying the requirements of this section.

Section 2.10 PROCEDURE

(a) Meetings. The council shall meet regularly at least once in every month at such times and places as the council may prescribe by rule. Special meetings may be held on the call of the president or of three or more members and upon not less than 48 hours notice to each member. All meetings shall be public; however, the council may recess to executive session at any time for the reasons and purposes set forth in Title 1, MRSA Section 405, as may be amended from time to time.

Emergency meetings may be held on the call of the council president or of three (3) council members. If possible, such notice shall be given not less than six (6) hours before the emergency meeting. The local media, as determined by the City Council, must also be advised of the meeting. When possible, notice should be posted in at least three public places, including online notification via the city website, prior to the meeting. All business conducted at the emergency meeting shall be reviewed at the next regularly scheduled meeting of the City Council. All effort should be made to contact all councilors.

(b) Rules and Journal. The council shall determine its own rules and order of business and shall provide for keeping a journal of its proceedings. This journal shall be a public record.

(c) Voting. Voting, except on procedural motions, shall be by roll call and the ayes and nays shall be recorded in the journal. Three members of the council shall constitute a quorum, but a smaller number may publicly compel the attendance of absent members in the manner and subject to the penalties prescribed by the rules of the council. No action of the council shall be valid or binding unless adopted by the affirmative vote of three or more members of the council.

(d) Residents of the City of Eastport shall be permitted to request, by submitting such a request to the City Clerk, that the City Council place an item for consideration on the agenda of the next regularly scheduled City Council meeting and said item will be included on the agenda if:

1. Internal administrative remedies have been pursued, including, but not limited to, discussing the matter with the City Manager.
2. Consideration of the matter does not conflict with the City Charter or any other applicable laws or regulations.

3. The matter is not defamatory or otherwise unfit for public discourse.
4. The matter has not been brought before the City Council and acted upon by the City Council within the past 6 months.

Nothing in this section should be interpreted to limit the City Council's ability to place any item on the agenda.

Section 2.11 ACTION REQUIRING AN ORDINANCE

In addition to other acts required by law or by specific provision of this charter to be done by ordinance, those acts of the City Council shall be by ordinance which:

- (e) Regulate the rate charged for its services by a public authority;
- (f) Adopt with or without amendment an ordinance proposed under the initiative power; and
- (g) Amend or repeal any ordinance previously adopted, except as otherwise provided in Article VIII with respect to repeal of the ordinances reconsidered under the referendum power.

Acts other than those referred to in the preceding sentence may be done either by ordinance, resolution, or order.

No provision of this section shall be constructed to undo or render invalid any act or ordinance enacted previous to the adoption of this charter.

Section 2.12 ORDINANCES IN GENERAL

(a) Form. Every proposed ordinance shall be introduced in writing and in the form required for final adoption. No ordinance shall contain more than one subject, which shall be clearly expressed in its title. The enacting clause shall be "The City of Eastport hereby ordains . . . " Any ordinance which repeals or amends an existing ordinance or part of the city code shall set out in full the ordinance sections or subsections to be repealed or amended, and shall indicate matter to be omitted by enclosing it in brackets or by strikeout type and shall indicate new matter to be inserted by underscoring or by italics.

(b) Procedure. An ordinance may be introduced by any member at any regular or special meeting of the council. Upon introduction of any ordinance, the City Clerk shall distribute a copy to each council member and to the City Manager, shall file a reasonable number of copies in the office of the City Clerk and such other public places as the council may designate, and shall publish the ordinance together with a notice setting out the time and place for a public hearing thereon and for its consideration by the council. The public hearing shall follow the publication by at least ten days, and may be held separately or in connection with a regular or special council meeting and may be adjourned from time to time; all persons interested shall have an opportunity to be heard. After the hearing, the council may adopt the ordinance with or without amendment or reject it, but if it is

amended as to any matter of substance, the council may not adopt it until the ordinance or its amended sections have been subjected to all the procedure herein before required in the case of a newly introduced ordinance. As soon as practicable after adoption of any ordinance, the City Clerk shall have it published again together with a notice of its adoption.

(c) Effective Date. Except as otherwise provided in this charter, every adopted ordinance and/or resolution shall become effective at the expiration of fifteen (15) days after adoption or at any later date specified therein.

(d) "Publish" Defined. As used in this section, the term "publish" means to print in one or more newspapers of general circulation in the city:

- (1) the proposed ordinance (or a brief summary thereof) and,
- (2) the places where copies of it have been filed and the times when they are available for public inspection.

Section 2.13 EMERGENCY ORDINANCE

(a) To meet a public emergency affecting life, health, property or the public peace, the council may adopt one or more emergency ordinances, but such ordinances may not levy taxes, grant, renew or extend a franchise, regulate the rate charged by any public utility for its services or authorize the borrowing of money except as provided in subsection 5.09(b).

An emergency ordinance shall be introduced in the form and manner prescribed for ordinances generally, except that it shall be plainly designated as an emergency ordinance, and shall contain, after the enacting clause, a declaration stating that an emergency exists and describing it in clear and specific terms. An emergency ordinance may be adopted with or without amendment or rejected at the meeting at which it is introduced, but the affirmative vote of at least four members shall be required for adoption. After its adoption the ordinance shall be published and printed as prescribed for other adopted ordinances. It shall become effective upon adoption or at such later time as it may specify. Every emergency ordinance except one made pursuant to subsection 5.09(b).

(b) Shall automatically stand repealed as of the 61st day following the date on which it was adopted, but this shall not prevent re-enactment of the ordinance in the manner specified in this section if the emergency still exists. An emergency ordinance may also be repealed by adoption of a repealing ordinance in the same manner specified in this section for adoption of emergency ordinances.

Section 2.14 CODES OF TECHNICAL REGULATIONS

The council may adopt any standard code of technical regulations by reference thereto in an adopting ordinance. The procedure and requirements governing such an adopting ordinance shall be prescribed for ordinances generally except that:

- (a) The requirements of Section 2.12 for distribution and filing of copies of the ordinance shall be construed to include copies of the code of technical regulations as well as of the adopting ordinance, and

- (b) The copy of each adopted code of technical regulations as well as of the adopting ordinance shall be authenticated and recorded by the City Clerk pursuant to subsection 2.15(a).

Copies of any adopted code of technical regulations shall be made available by the City Clerk for distribution or for purchase at a reasonable price.

Section 2.15 AUTHENTICICATION AND RECORDING; CODIFICATION; PRINTING

(a) Authentication and Recording. The City Clerk shall authenticate by his/her signature and record in full in a properly indexed book kept for the purpose all ordinances and resolutions adopted by the council.

(b) Codification. Within 18 months after adoption of this charter and at least every five years thereafter, the council shall provide for the preparation of effect of law. The general codification shall be adopted by the council by ordinances and shall be published promptly in bound or loose leaf form, together with this charter and any amendments, thereto, pertinent provisions of the Constitution and other laws of the State of Maine, and such codes of technical regulations and other rules and regulations as the council may specify. This compilation shall be known and cited officially as the Eastport City Code. Copies of the code shall be furnished to city officers, placed in libraries and public offices for free public reference and made available for purchase by the public at a reasonable price fixed by the council.

(c) Printing of Ordinances and Resolutions The council shall cause each ordinance and resolution having the force and effect of law and each amendment to this charter to be printed promptly following its adoption, and the printed ordinances, resolutions, and charter amendments shall be distributed or sold to the public at reasonable prices to be fixed by the council. Following publication of the first Eastport City Code and at all times thereafter, the ordinances, resolutions, and charter amendments shall be printed in substantially the same style as the code currently in effect and shall be suitable in form for integration therein. The council shall make such further arrangements as it deems desirable with respect to reproduction and distribution of any current changes in or additions to the provisions of the Constitution and other laws of the State of Maine, or the codes of technical regulations and other rules and regulations included in the code.

With the approval of the council, he/she may reside outside of the city while in office. A newly appointed City Manager shall complete a six-month probationary period, during which time either party, the City Manager or the City Council, may terminate the contract. A copy of the resolution shall be delivered promptly to the City Manager.
- (2) Within five days after a copy of the resolution is delivered to the City Manager, he/she may file with the council a written request for a public hearing. This hearing shall be held at a council meeting not earlier than 15 days nor later than 30 days after the request is filed. The City Manager may file with the council a written reply not later than five days before the hearing.
- (3) The council may adopt a final resolution of removal, which may be made effective immediately, by affirmative vote of a majority of all its members at any time after five days from the date when a copy of the preliminary resolution was delivered to the City Manager if he/she has not requested a public hearing, or at any time after the public hearing if he/she has requested one.

The City Manager shall continue to receive his/her salary and benefits until the effective date of a final resolution of removal.

(b) Emergency Appropriations. To meet a public emergency affecting life, health, property or the public peace, the council may make emergency appropriations. Such appropriations may be made by emergency order in accordance with the provisions of section 2.14. To the extent that there are no available unappropriated revenues to meet such appropriations, the council may by such emergency order authorize the issuance of emergency notes, which may be renewed from time to time, but the emergency notes and renewal of any fiscal year shall be paid not later than the last day of the fiscal year next succeeding that in which the emergency appropriation was made.

(b) Payments and Obligations Prohibited. No payment shall be made or obligation incurred against any allotment or appropriation except in accordance with appropriations duly made and unless the Treasurer first certifies that there is a sufficient unencumbered balance in such allotment or appropriation and that sufficient funds therefrom are or will be available to cover the claim or meet the obligation when it becomes due and payable. Any such authorization of payment or incurring of obligation in violation of the provisions of this charter shall be void and any payment so made illegal; such action may be cause for removal of any officer who knowingly authorized or made such payment or incurred such obligation, and he/she shall also be liable to the city for any amount so paid. However, except where prohibited by law, nothing in this charter shall be construed to prevent the making or authorizing of payments or making of contracts for capital improvements to be financed wholly or partly by the issuance of bonds or to prevent the making of any contract or lease providing for payments beyond the end of the fiscal year, provided that such action is made or approved by ordinance.

(c) Payments. Money shall be paid out only on warrants on the city treasury issued by the Treasurer and counter-signed by the City Council. The City Treasurer shall examine all payrolls, bills and other claims and demands against the city, and shall issue no warrant for payment until he/she finds that the claim is in proper form, correctly computed, duly certified and legally due and payable. The City Council, at its organizational meeting, shall set a maximum amount that the purchasing agent shall not exceed without city approval.

The Treasurer may require any claimant to make oath to the validity of his/her claim, may investigate any claim, and for each purpose or purposes may examine witnesses under oath.

Section 5.11

SPECIAL ACCOUNTS AND BORROWING PROCEDURES

(a) Reserve Account. The City Council shall establish a reserve fund from which transfer shall be made only by the vote of the City Council and no transfer of any money shall be made from any fund other than this reserve fund until the end of the fiscal year. The balance in such reserve fund shall be based on the amount constituting one mill for the current year in which the amount is established.

At the end of the fiscal year after all warrants have been paid out of the various funds against which such warrants have been drawn, the Treasurer shall transfer to the reserve fund any balance or balances that remain in the various other funds except balances in the education account, capital account, and other non-appropriated accounts. The council may then authorize a transfer from the reserve fund account to any other account in which there is an overdraft.

The City Council shall then transfer to surplus that amount which exceeds the authorized amount in the reserve fund.

(b) Sinking Fund. Sinking funds, if required, will be established in accordance with Maine Revised Statutes as amended.

(c) Temporary Appropriations for Current Expenses. Before the annual appropriation resolve has been passed, the City Council may make appropriations for current department expenses, chargeable to the appropriation for the year, when passed, to an amount sufficient to cover the necessary expenses of the various units until the annual appropriation resolve is in force.

(d) Borrowing. The borrowing of money by and for the city shall be limited by the provisions of this charter and Maine Revised Statutes as amended.

- (1) Bond Issues. Money may be borrowed within the limits fixed by the Constitution and Maine Revised Statutes, as amended, by the issue and sale of bonds pledged on the credit of the city, proceeds to be used for the payment of the indebtedness of the city contracted for acquisition of land, the construction of buildings, the purchase of equipment, the construction of roads and streets and other permanent public improvements, and the payment or refunding of bonds previously issued. No order providing of the issue of bonds shall be passed without a public hearing and the approval of 4/5 of all the members of the City Council.

Every issue of bonds shall be payable by annual installment with interest until the debt is extinguished and within a fixed term of years; if such bonds are issued in payment of indebtedness incurred for a permanent improvement the term of such bond shall not exceed the estimated period of utility of said improvement but the declaration of the City Council embodied in the order authorizing the issue shall be a conclusive determination of the estimated utility thereof; and the term within which all bonds shall provide for a tax levy for each year of an amount necessary to meet the payment of the annual serial installment of the principal and interest; and such amount shall be included in the tax levy for each year until the debt is extinguished. Bond issues in existence prior to passage of this charter shall remain in force and provisions for repayment shall be in accordance with the laws and regulations in existence at the time of the finalization of the bond issue.

- (2) Notes. Money may be borrowed within the limits fixed by the Constitution and the Revised Statutes of Maine, as amended, by the issuance of notes pledged on the credit of the City of Eastport, the proceeds to be used for the payment of indebtedness of the city contracted for the acquisition of land, the construction of buildings, the purchase of equipment and supplies, the purchase of services, the construction of street supplies, the purchase of services, the construction of streets and roads and other permanent public improvement, and the payment or refunding of notes and certificates of indebtedness previously issued. No order or resolve providing for the issuance of a note, exceeding \$50,000.00, except temporary loans for tax anticipation, shall be passed without a public hearing and the approval of 4/5 of all the council members.

Every note issued in payment of indebtedness incurred for a permanent improvement or purchase of major item of equipment shall be repaid on such terms and shall not exceed the estimated period of utility of the said improvement or item of equipment.

Notes issued shall be payable in equal, annual serial installments as pertains to principal, and interest shall be made payable semi-annually. There shall be a tax levy each year to provide for payment of the annual serial installments of principal and interest, and such amount shall be included in the tax levy for each year until the debt is extinguished. Notes in existence prior to passage of this charter shall remain in force, and provisions for repayment shall be in accordance with the laws and regulations in existence at the time of the finalization of the note or notes. Notes for money borrowed in anticipation of money to be received from the sale of bonds may be issued, provided that such bonds have been legally authorized and, provided further, that the first sentence of this paragraph shall not apply to such notes but all such loans shall be paid in full at the time the bond issue proceeds are received.

- (3) Temporary Loans. Money may be borrowed in anticipation of tax receipts during any fiscal year after said fiscal year begins, but the aggregate amount of such loans outstanding at any one time shall not exceed 80% of the revenue received for taxes during the preceding fiscal year. All such loans shall be paid within the fiscal year out of receipts for the fiscal year in which said loans were made.

This section shall in no way limit the power granted to towns and cities to borrow money as contained in the Maine Revised Statutes as amended and acts amendatory thereof. Money borrowed in anticipation of tax receipts must be repaid with tax receipts.

(e) Capital Improvement Reserve. The municipal officers may from time to time establish reserve funds and provide for the investment of such funds for future usage. Such established reserve funds shall be designated for a specific capital improvement and shall cease when the need for which it was established shall no longer exist. If a reserve fund established for these purposes is terminated, the accumulated funds shall be applied to the budget as a receipt for the tax year following the year in which the reserve fund was terminated. If the reserve fund is terminated prior to the annual budget, the proceeds of the particular reserve fund will be applied as income to the budget in order to reduce the tax levy for that year.
