

City of Eastport Oath Policy
Approved by City Council January 8, 2025

The City respects the right of all citizens to use and be referred to by their chosen name. Any citizen who is elected or appointed to a position or Committee within the City will have the right to use their chosen name. A citizen will be required to use their legal name only for signing a formal Oath of Office if required for the citizen's employment or position with the City. An Oath of Office for Advisory committee appointments will not require use of a legal name.
